PRICING INSTRUCTIONS

1. The rates to be quoted in the Pricing Schedule are to be the fully inclusive prices for the work described below the scope of work. Rates shall cover all costs and expenses that may be required in and for the execution of the work described, and shall cover the cost of all general risks, taxes, and obligations set forth or implied in the documents on which the tender is based, as well as overhead charges and profit. All disbursements must be

pre-approved in writing and will be reimbursed at cost, provided that such costs are supported by original receipts/tax invoices.

2. A rate shall be entered against each item in the Pricing Schedule. The bidder may not group a number of items together and tender one lump sum for such group of items.

3. The proposal must state the estimated fixed professional service fee for the project. This must be supported by a schedule that shows the estimated time for each resource and the rate per hour.
